Dear Donald,

As you can imagine, everyone is in shock over Ruth Kelly's refusal of the Dale Farm planning appeals.

But Brian Cox is entering an appeal for the "Dale Farm Seven" (previously 11 yards around the Dale Farm property), and has been asked to appeal over Kelly's refusal (which could mean another JR).

We still have Keith Lomax's JR against Basildon original decision to spend £2.9 million on anti-Traveller activities including "clearing" Dale Farm. This won't take place before July.

It will help the Lomax JR if we meanwhile put in for planning permission on the land at Pitsea owned by English Partnership and Proposed by John Prescott.

I know you are "retired" but could you please give us a little help and guidance on this? We don't want to put in an application that gets immediately sent back on a technicality.

May be you have an existing plan (from a previous application) which We could adopt for this purpose - say for 12 plots/yards.

Any advice as to how to proceed welcome.

On a completely different matter, I would like to buy from you a set of the books you have published over the years - and also if available a copy of the Bulgarian edition of "Destiny". Let me know the total cost for these, plus postage, and I will send you a cheque.
